New Lease Deal at Three Burlington Woods Pushes Building to 100% Leased

*New England Association of Schools and Colleges Lease for 18,800 RSF
Brings Davis Companies' Burlington Woods Office Park Properties to 97% Leased*

Boston, MA, June 13, 2012 – Boston-based The Davis Companies (TDC) announces that it has signed a lease agreement with a new tenant, the New England Association of Schools and Colleges, which is relocating from Bedford, Massachusetts into 18,800 square feet at Three Burlington Woods in Burlington, Massachusetts. The lease deal propels Three Burlington Woods to 100 percent leased, as well as raising the occupancy level of TDC's Burlington Woods Office Park properties, comprising One and Three Burlington Woods, to 97 percent.

Burlington Woods Office Park is a first-class, two-building office park consisting of 267,829 square feet. Following the acquisition of One and Three Burlington Woods in 2010 on behalf of their \$230 million Davis Investment Ventures Value Opportunity Fund I, TDC undertook a \$3 million renovation and modernization of One Burlington Woods that included a new window system, new monumental exterior entry, modern cafe and conference center, and a completely refurbished main lobby.

When TDC acquired One and Three Burlington Woods, the property was 64 percent occupied. In the two years since, TDC has completed lease transactions totaling approximately 113,000 square feet, including Allscripts Healthcare Solutions, Genesis Consolidated Services, Nexant, CSG Systems International, Inc., and Corporate Technologies, Inc.

"Reaching nearly full occupancy at Burlington Woods Office Park is testimony to our success in both retaining existing tenants and attracting new ones since acquiring these outstanding properties," said Duncan A.C. Gilkey, Senior Vice President and Director of Leasing for TDC. "It also speaks to the strength of the recovery of the Burlington market, which has become one of the most attractive submarkets in the region."

Founded in 1885, the New England Association of Schools & Colleges, Inc. (NEASC), is the nation's oldest regional accrediting association whose mission is the establishment and maintenance of high standards for all levels of education, from pre-K to the doctoral level.
